CREATIVE PROCESS
Eventually an idea will appear!
...or go do something else
Let my mind go blank
Brainstorm with inspirational imagery
How do I make it my own?
What have others done?
How should my version be different?
How can I make it better?
What are the steps to get there?
What do I want the final product to be?
Imagine what I want to communicate

READY??
Get Comfortable in my room @ my work station
Now I'm ready
Time to finally get Started!!
Hmm..Decisions decisions...
It Can wait
I just Can't Stop!!
Oh my gosh! It's due tomorrow!
Then I forgot to Eat
I dont need Sleep!!
I dont like this...
